Sean,

I understand it can be found on the CBC site:

Mark:

A CBC report on Friday <http://www.cbc.ca/news/canada/newfoundland-labrador/story/2012/03/22/nl-fifth-winters1-322.html> references that CBC obtained a January 30, 2012 operational log (including weather reports) from the Department of National Defence concerning the call for aerial search and rescue support in the case of a missing 14-year old youth from Makkovik. Could we have a copy of this documentation?

Sean
