Subject: Media Interview

CBC, Canadian Press and NTV showed up for interviews. Basically their lines of questions were:

1) Can you comment on Cpl. Vardy's comments to JRCC?

No we were not aware of them and have requested copies of the conversations for review. I cannot comment on Cpl. Vardy's statements made to JRCC.

2) Why was FES not contacted on Sunday night?

We were still conducting our investigation. As such we have to gather as much information prior to contacting FES and requesting a helicopter. We were still in the middle of a community search at the time and a decision was made to wait as we did not have a starting point to send a helicopter to

I have check PROS and this file is now concluded.
