Subject: Missing person Red Indian Lake
Date: Sunday, July 28, 2013 4:00:14 AM

Good morning

At 0243 hours had a call from Sgt Keith Frampton, RCMP. Grand Falls Windsor RCMP, along with GSAR are presently searching for a missing 74 year old male. The man, from St John's, has a cabin in the area. The man's pick up truck was located but no signs of the individual. The individual has a medical history of diabetes.

Gov Air Services contacted at 0258 to arrange air support for first light. Due to weather and visibility, GAS saying they may not be able to fly.

At 0305, JRCC was contacted and a request was made to them to make a humanitarian flight in aid in search of missing man. They are assessing the weather and have been in contact with the Incident Commander Roger Gooby with Exploits SAR. JRCC will notify FES when they make a decision if they will fly or not.

I will keep you posted as new information becomes available.
