---

Hi All

Further update. Gentlemen are 64 and 68 respectfully instead of 75 as initially thought.

Helicopter is on weather hold for rest of today.

JRCC and cormorant did have some airtime in the area today but got called away on a medical emergency. They are hoping to return before dark.

GSAR are still progressing but no further update as of 12:15 hrs.

I will keep you posted.

Blair
