Re: Missing 75 year old snow mobilers Sunday, February 3, 2019 9:45:33 PM

Hi All

Just spoke with Sgt Newell. Update as of 21:30hrs.

JRCC resumed flight tonight over latest search area and are still in the air.

Arrangements with Universal Helicopter for alert ready status for early AM if no JRCC success tonight.

I will follow up with RCMP Officer Liz Lodge (640-9940) at 7am Monday and confirm search status and possibility of Universal partaking in the AM search.

Will keep you posted,

Blair

Hi All
I just spoke with Sgt Wayne Newell of the RCMP. We discussed the latest status update. The GSAR are gearing down for the evening and retiring to base to dialogue the next steps.
I spoke with Air Services and requested a helicopter to be placed on alert for first light tomorrow morning. The potential for poor weather is 50-50.
Sgt Newell and I will dialogue later this evening on the status after the GSAR meeting tonight.
Will keep you posted,
Blair
